"THE LOG JAM" ✓

A giant tree is being cut down. Ruth on her horse, with her back turned, does not see the operation. When the warning cry of "Timber" comes, her horse becomes unmanageable and she falls off, unconscious. She is in the path of the falling tree. Don pulls her aside just in time.

Ruth is taken prisoner by angry squatters. She spurs her horse in an attempt to escape. There is a mad chase through the dangerous timberland. Ruth's horse shies at the edge of a ravine and throws Ruth over.

Fast and furious fighting when Don rescues Ruth from cabin, where she is under guard.

Ruth and Don make a high dive into mountain lake.

Ruth is sitting on top of a freight car. It is detached and runs under its own weight down Thunder Mountain, gathering speed as it swings around sharp curves and careens down steep grades, liable to jump the track at every dangerous turn!
